DEAR CLUB,

I work in the City for a large law firm and, as I'm sure you can imagine, things are pretty formal and dull day-to-day in the office. One day last week I was daydreaming in my office, thinking of my boyfriend and the things he had promised to do to me that night. My hand found my quickly moistening pussy, and I began to stroke my hard little clit. I had my eyes closed and was imagining Andy's dick pounding into me from behind, filling my tight cunt just the way I like it.

Suddenly, I heard the office door open and looked up into the surprised face of the new junior secretary, Claire. She stood in the doorway and stared at me. With my hand still working hard between my legs, she quietly shut the door and took a step towards me, one hand reaching up to tweak her nipple, her eyes fixed firmly on my wide open pussy. I could feel my orgasm starting to build as I looked straight at Claire. She had stopped in the middle of the room and had two fingers working in and out of her pussy, still staring hard at me. The sight of her pounding away at her cunt, fingers buried deep inside was too much for me. I groaned as my orgasm exploded through me, my juices pouring over my hand.

I stood up and beckoned to Claire and she came over to perch on the edge of the desk. I knelt down in front of her, pulling off the tiny g-string that she had pushed aside to get at her wet hole. I ran my tongue along the crack of her pussy lips, then gently spread them and

began to lick at her clit. At the same time I pushed a finger inside her cunt. She moaned and put her legs over my shoulders, exposing her tight bum hole. My finger was sopping wet from her juices and mine, and when I pushed against her bum hole, it slid in quite easily. I fingered her arse, gently at first then faster and faster, while I continued working at her clit with my tongue. Her pussy tasted delicious, and I could feel her twitch as she got closer to orgasm. I pushed my tongue deep into her cunt and she screamed as her orgasm hit, grinding her cunt against my face, covering it with her warm sticky come. I stood up and she kissed me, licking her own juices from my mouth.

There was a cough from behind me, and we both jumped in surprise. I turned around to see the youngest of the senior partners,

“I cried out, sure my tight arse couldn't take his huge erection...”

who often featured in my work fantasies, standing with his trousers undone holding a massive erection. He told us to bend forward over the desk, as work affairs were forbidden and we'd have to be punished!

I felt a sting as he spanked my arse, and heard a slap as he did the same to Claire. My bum cheeks got hotter and hotter as he continued to spank us, and my cunt started to tingle so I moved a hand between my legs and started fingering myself furiously. I could tell from the panting and whimpering noises Claire was making that she was doing the same. I really wanted to feel Claire's fingers bringing me off rather than my own, but Simon had other ideas! He told Claire to kneel on the desk in front of me, and as she did, he dropped to his knees behind me and began

while Claire watched from her place on the desk. She kept encouraging Simon to fuck me harder, which he did! I was so hot and horny, I couldn't wait to feel him shoot his hot come deep into my throbbing cunt.

Suddenly, Simon pulled out of my cunt and pressed his cock against my bum. I could feel my hole stretching as he pushed harder. I cried out, sure my tight arse couldn't take his huge erection though I soon relaxed and felt him slip inside. It was the most amazing feeling, my arse was completely filled and I could feel my ring tighten around him as he shafted me from behind. The sight of me taking such a good fucking was enough to set Claire off again. I could see her juices running over her hand. She reached out and put her come covered fingers into my mouth for me to lick clean. The taste of Claire's sweet cunt, coupled with Simon's vigorous thrusting was enough to send another wave of pleasure through me. I pushed back against Simon and begged him to fill my arse with

expertly working his tongue into my sopping snatch. Claire's cunt was level with my face and I couldn't resist burying my head between her legs again.

Simon stood up and I could feel the head of his big cock between my legs. In one quick, hard movement he was buried up to the balls in my welcoming pussy. He fucked me hard and fast

his spunk. He groaned, and I felt him fire a warm jet of come deep in my bum. This strange sensation was too much for me and I orgasmed again, my knees buckling as I climaxed.

Simon, Claire and I have become great friends since that afternoon, and we have had a couple more 'meetings' in my office. I did remember to get a lock put on the door though! – Kirsty, Stoke Newington.

“There’s nothing quite like cracking open a cool beer on a hot day,” Miley Ann tells us. “Plus you can use it as a cooling aid!”

We, of course, are now having visions akin to a female version of the Coca-Cola advert, involving a stripped-down Miley and a can of Kronenbourg being lusciously rubbed against her naked flesh. But back to reality, and American girl Miley Ann is looking like our kind of lady.

We always like to add a new pinch of spice to the Club cauldron, and this month is no exception as we introduce Mia Mariee to the recipe, a tigress with an exceptional pair of pins, which are emphasised here in a pair of seams stockings. But apart from those shapely legs what else is this little minx hiding away?

"You'll just have to wait and see, won't you."

Well, in that case, we shall get ourselves settled in for the show; and by Jove, it's a corker!

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

PILL PLEASURE

My first experience of anal sex has been something of a revelation for me. For years I had said no to any boyfriend who had ventured near my back passage. I felt that anal sex was somehow wrong and was pointless. Why would I enjoy having something shoved up such a small, sensitive hole? It didn't make any sense to me. Then one night all that changed.

My boyfriend, Julian, is about ten years older than me and has been around the block a bit with women. He's a very respectable man by day, with a top job at a publishing company, but in bed (especially when he's had a few drinks!) he's nothing short of a fucking animal! It was a Saturday night and Julian took me out for a meal and some drinks. He'd been acting oddly all day, at one time nipping off for an hour to meet "a friend". I figured that meant he'd got his hands on some coke or smoke and I was looking forward to tucking into either later on at home.

At the end of the meal Julian dipped into his pocket and pulled out a piece of foil. It contained two blue pills. "Viagra," he beamed, and popped one onto his tongue. I opened my mouth and he put one in my mouth too. "By the time we get home I'll be hard as a walking stick and you know whether you're coming or going!"

I suddenly felt very excited, looking forward to getting a good seeing-to for a few hours, not the usual ten minutes. Friends of mine had had similar pills and had said they were crazy, the only problem being not being able to stop!

Julian was right. By the time we'd walked home and had a grope up a back alley, he was rock hard and we made straight for the bedroom.

For the next hour Julian banged my pussy like some stud out of a porn film. He came twice and twice he got hard again. I came once, but to be honest I don't think the pill had much to do with that; I just love getting fucked for ages!

Another hour later and Julian was still going strong. We tried every position you can imagine, all the ones you try to do when you're feeling adventurous but normally don't

"A wave of filthy pleasure washed over me as I felt Julian go deeper."

work because you both either start laughing, he loses his hard-on, or they make your man come too quick. Then Julian put it to me: "Fancy a good fuck in the arse while we're at it?"

I was stunned and didn't know quite what to say. Then, for some reason probably explained best by the bottle of wine I'd had earlier, I just said, "Go on then. But don't get too carried away. I want to be able to sit down tomorrow!"

Julian couldn't believe his luck. I think he'd expected me to say no but he didn't give me a chance to change my mind and quickly withdrew his cock from my well-fucked pussy and stabbed it an inch into my bum hole. For a second it hurt like hell. I felt like everything was going the wrong way, if you know what I mean, then I managed to relax and Julian pushed a bit further into me. A wave of filthy pleasure washed over me as I felt Julian go deeper. "That is fucking lovely..." gushed Julian.

"I'm inclined to agree with you," I giggled and pushed back onto his cock.

To be honest, even with the power of the mighty Viagra in him, Julian didn't really manage to fuck me properly up the arse that first time. He shot his come into me almost

straight away, a very strange sensation in itself! But luckily Julian had another hard-on only minutes later and did me up the bum again much better the second time.

After that I was ready for sleep, come dripping from my pussy and my bum. I couldn't believe I'd spent 23 years of my life without having a cock up my arse and looked forward to trying it again the next day. Sadly for poor old Julian, he had to go downstairs and watch pornos till about four in the morning because his erection and "the urge" just kept coming back!

SOPHIE'S LITTLE BUMHOLE

Give me a minute to set the scene. Sophie was a student at home for the holidays and must have been about nineteen. When she was flirting with me she could be girlish one minute and a sophisticated young woman the next. I was landscaping her parents' large garden. It was enough for me just to watch her walk past, she was such a small, shapely young thing.

One morning as I sat in the big kitchen with a cup of coffee, Sophie walked in. She was wearing striped pyjamas, blinking her sleepy eyes, her jet black hair tousled. She was generally giving off a glow of bed-warmed flesh and cotton. Her little feet bare on the cool kitchen floor. She yawned looking into the fridge, showing off her even, white teeth. I looked at the shape of her bottom in her pyjamas and wondered if she was wearing any panties; whether it would be just warmth, bristly hairs, soft fleshy folds inside her pyjama bottoms.

The sunlight was bright in the kitchen, making everything appear sharp. This was the first time we had been alone and I felt a tension, making me swallow. Sophie was sipping at her orange juice.

She came over to me. "What are you thinking?" she said, smiling oddly. I looked at her big bright eyes, her little nose and her wide mouth. Her chin was small too,

My chest tightened and my cock quivered and constricted in my boxers and overalls. I reached out and unbuttoned her pyjama-bottoms at the waist, flicking the little buttons at her warm flat belly. Her pyjamas fell apart and down, straight to her knees, then, after a second, right down to her ankles.

Her rich black pussy hairs worked me like a shot of caffeine and her thighs seemed achingly soft. She squatted slightly to let me finger her, parting her thighs as I worked her pussy lips open. I slid a couple of fingers up and in, fondling a bum cheek with my left hand. She rested her hand on my shoulder and the expression on her face changed as I probed the hot depth then worked my fingertips around the lining.

With my left fingers in her bum cleft the forefinger tip up her bumhole, I wriggled around with my right fingers to find her clit. She squatted down more, undignified, as

her neck slim and the flesh creamy. She moved even closer. Nothing needed to be said. My cock stiffened and became hyper-sensitive making me feel like I was going to come in my pants.

She stood there and said: "My pussy is for my boyfriend. I'm not a complete little bitch. You can put a couple of fingers in. You can have a peep inside but if you want more you're going to have to use your imagination. We'll have to be flexible."

though about to pee. Her mouth open, her eyes glazed, disinterested in anything other than my fingers. When I worked my fingertip into her bumhole, the ring tight around my first joint, we knew it was time for a new direction. I withdrew my fingers from her pussy, held her tender thigh and pushed my right forefinger deeper up her arse. She tensed up, her buttocks and her anus clenching.

Moving my hands away, she stepped out of her drooped pyjamas and turned her bottom towards me. She stuck it out a bit, knowing that it was sweet perfection, as soft as it was firm. I pulled her bum cheeks apart, low on

“ Her sphincter closed around the ridge of my cock.”

the fullest curve so that her labia opened. I leaned forward a little to look in at the inner pink. Then using my thumbs a little higher up her behind, I parted her buttocks wider, presenting myself with her coffee-coloured little bum hole.

My heart was thumping when I stood up and bent her pertly across the kitchen table. I unzipped and got my cock out, scared to even touch it in case it spurted. I fingered her pussy again, getting all fingers in and reaching my thumb up her bum cleft. Her snatch was wet and it cried out to be jabbed but I knew the guidelines here. I used my fingers to scoop out some pussy juice to grease up her bum hole, fingering it open again.

My cock was reaching, the skin taut and my pommel end looked bigger than usual – too big. It just didn't seem feasible that I would be able to push it up her arse. I kneaded her buttocks and splayed them. I put my thumbs at either side of the hole and opened it, pushing my dick head against it.

We both panted and I pushed some more and the head of my cock made it in. Her sphincter closed around the ridge of my cock. She was gasping, partly because of what was already happening and partly because of what was going to happen. I eased it further in, pushing the tight channel open as though it had never been opened before. We barely moved and breathed and held ourselves as though we were balancing on something.

The sight of the base of my cock shaft stretching her private hole open was as good as the feel of being embedded up inside her. Then I shoved forward, sticky fingers keeping her cheeks apart. She shouted and I held it there, quivering and dithering in the grip of her arse muscles until I shot up into her.

We stayed still for a minute, trying to get our breath, then I pulled out, a strand of come briefly linking my slackened cock end to her gently closing anus. Without a word, Sophie picked up her discarded pyjama-bottoms and ran out of the kitchen, red-faced. I watched her pretty bare arse as she went.

CONFESSIONS OF A NEAT FREAK

I've always been "anally tidy", as my fiancé Declan puts it. The "anal" bit is another story, but when Josh, one of my fiancé's mates, was moaning about how cluttered his flat was, I agreed to help him with a sort-out – in return, he said he'd take me and Declan out for a curry.

Declan joked about me dressing like a French maid, but I just went for trackies over tight shorts and a vest top, which I stripped down to once I'd worked up a sweat. And going by the way I caught Josh looking at me, I doubt I could have given him a bigger boner if I had gone around in frilly knickers and stockings.

His place was a tip so I said we'd have to be ruthless. In fact, I was such a bossy mare that I only let him take a break when he offered to fetch us some beers. I hadn't eaten since breakfast so it only took two to get me tipsy, but that didn't make me any softer on him – just gobbier and less willing to listen when he begged me to let him keep some musty old tour T-shirt or novelty pint glass. In the bin they went! He, meanwhile, was ogling my tits, arse and legs, although he didn't try anything on.

Things got awkward when I dived under the bed to see what horrors were lurking there, and I found his porn stash – a massive pile of mags. He said he'd had some of them since college. I tried to put them all in the recycling but he insisted on rescuing three of them, and

I knew he wasn't going to back down on this one.

I said we should take another break – the reason being I wanted a look at the mags, because I was curious. So I sat with another beer, and flicked through them. No sticky pages as far as I could tell, but they were looking a bit tatty from overuse, especially certain sections. And I couldn't help noticing from these favourites that I was probably his type.

There was a bit of tension after that, but we channelled it into finishing the clearout – Josh got all manly and decisive, like he was trying to impress me with how much he was willing to chuck out.

When Declan turned up, we were running the vacuum around the place "She's seen to your junk all day – no wonder you've lost your mess," Declan said. I reckoned he'd spent all afternoon thinking that one up.

By now, I was feeling so horny, I ran up to him and gave him a big hug and snog. His hands were all over my arse through my stretchy shorts, and Josh told him, "You are such a jammy bastard."

"C'mere," I said, wanting to give him a matey cuddle. I could blame it on the beer, but I don't think that's the only reason why one minute I had my arms around the two of them then the next I was necking with Josh. I thought Declan would go ballistic but when I looked, he was grinning to himself and rubbing his crotch through his trousers.

I went back to kissing Josh and soon felt Declan's hands

on my body from behind, cupping my boobs then stroking down my hips to fondle my arse cheeks. Now Josh was playing with my tits, and as I felt Declan's hand move in between my thighs I clamped them around it, grinding as he moved his fingers to touch my pussy up through my shorts.

This made me snog Josh even harder, reaming his mouth with my tongue, but then he pulled away, gasping for air, before bowing his head to suck my tits through my vest. I hiked it up to show the sports bra I was wearing under it – not the sexiest, but it undoes at the front, so he had fun unhooking

“...he spent ages just playing the head of his cock all over the outside of my pussy.”

“...wanking his cock against the crease between the top of my arse-cheeks.”

it, kissing my titflesh as he exposed it, and feeding one nipple at a time into his mouth.

Declan had his hands down the back of my shorts now, groping my cheeks, but this left my pussy aching for attention. I moved my hips until he got the message and pulled the shorts down to my knees, sliding a hand underneath to cup my labia. Even this left me frustrated, though – he deliberately pushed them together so he was only playing with my clit through them, and I could only spread as wide as my shorts could stretch.

Declan dropped to his knees and started licking me, finally letting my pussy lips part so he could finger my bud, and using his tongue around my hole before plunging it in. I squealed, and Josh took it as a plea to get even rougher with my tits, kneading them and rubbing his stubbled chin against them.

Declan loves to eat pussy – he could do it all night. But when Josh asked, “You gonna fuck her or can I?” Declan told him to wait. Declan was already rock hard from licking me, but I gave him a bit of a rub to be sure. And he wasn’t going to rush it – he spent ages just playing the head of his cock all over the outside of my pussy and my clit, working me up until I reached back, grabbed it and

“It didn’t take much of this kind of friction to get him spurting, so hard that I felt a few drops splash up as far as my shoulder blades.”

touched it to my hole.

Even then he hesitated for a few moments. I’m sure I felt pre-cum trickle inside me from his tip though it may have been my own juices. Then he slid up my wet cunt in one smooth push.

He was fucking me while Josh’s mouth mauled my tits, and I reached down feeling for Josh’s cock. Once he realised what I was doing, he unzipped and dropped the combat shorts he had on. He had a nice solid prick on him – not as big as Declan’s but a good handful. I wanked him and nuzzled my way down so I was stood bent over in between them, Declan ploughing in from behind, slow but deep, and me lapping at the crown of his best mate’s bell-end.

Not the steadiest or comfiest of positions, so we moved it to the couch – it’s just a two-seater so Josh stood at one end, with me now stark naked on all fours and Declan on his knees behind me. Josh was finding it difficult to keep in control, so I curled a few fingers around his root, gripping him tight, meaning he could thrust as hard as he wanted.

Usually when Declan does me from behind he likes to jizz inside me, to shove my cheeks tight together as he pushes in and feel it flood my tight-squeezed hole. Then he’ll reach under me and give my clit a tickle, so I cum around his sensitive prick. I’ll feel him twitching and shaking because it’s almost too much for him to handle, but he doesn’t want to pull out until my cunt has wrung every drop of spunk from his balls.

But he can do that any time, of course. This time he wanted to give his mate a show, so he pulled out and started wanking his cock against the crease between the top of my arse-cheeks. It didn’t take much of this kind of friction to get him spurting, so hard that I felt a few drops splash up as far as my shoulder blades. Most of it soaked the small of my back and then he tossed the last of it over my bum-cheeks, working it in with the hot head of his cock.

I was gobbling away at Josh's cock, which tasted moist and salty. He wasn't going to last much longer, so I let him slide out, my thumb pressed over the slit at his tip. "Pull my hair," I moaned. Not the kind of thing we'd normally do, but I was feeling lovely and dirty and this was something I'd seen in one of Josh's mags.

My hair was in a ponytail – practical for cleaning up, practical for your bloke to hang on to! Even though it was my idea, Declan was scared of hurting me so he did it slowly and gently, but it

arched my head up just enough that when I "uncorked" Josh's prick and gave it a good wanking, he sprayed his load all over my face to drip down my neck and on to my tits too.

I got some in my mouth – he tasted different to Declan too, but nice enough – then I just rubbed it in all over my face and body for the boys to watch. Declan and I slumped on the couch, but Josh staggered into the bedroom, grabbed his three porn mags and made a big thing out of binning them in front of me. I asked was he sure he wouldn't regret slinging them, and he said that what I'd just put in his wank bank would do him fine for years to come.

I reckoned he needed more than that so once he was stiff again, I let him fuck me, missionary, while Declan played with my tits. Then I had him snap a picture on his phone, of his spunk dripping out of my stretched pussy – more than enough to get him off,

I reckon!

It's been a while since we last saw Gina and it looks like this little temptress has been busy having a little makeover.

Great hair Gina, what is it they say? Very Vogue?

"Aww thank you, I just wanted something completely different for a change, and more importantly I wanted something fun!"

It's definitely fun alright and so is your underwear, very enjoyable from where I'm sitting.

"Oh you naughty thing, you just wait till it all comes off then you'll enjoy yourself, even more, I'm betting.

The odds are with Gina on that score.

SUNNY-STROKE!

CLUB INTERNATIONAL

Slurp on some Sunny Delight...

A ridiculously fit porn babe who plays *World of Warcraft* and watches *The Simpsons*? Why isn't Sunny Leone married to us? The Canadian star, making major moves ever since leaving her exclusive contract with Vivid, opens up to Emma Edwards...

Birth Date: May 13

Hometown: Ontario, Canada

Height: 5'4"

Weight: 115 lbs.

Measurements: 34C-24-34

Forgive us for staring at your amazing breasts. They look dynamite and have settled in quite nicely!

Do you like my new boobs? I've always wanted them and had been seriously contemplating getting them for the years. I hesitated because I've seen so many botched boob jobs in the adult industry and I didn't want that to happen to me. I waited until I stopped growing naturally at age 25 then decided to go for it, turning my 34B cup to a full 34C and I love them! I couldn't be happier with the result. Plus, even though my nipples have always been sensitive, since I got my boob job their sensitivity has heightened. They feel amazing and get hard all the time. Literally if the wind blows and glides over my nipples, I'll get a tickle. The slightest touch gets me going. I love my nipples now more than ever before.

What else turns you on?

Sexual experience turns me on. I love knowing that the guy I'm about to have sex with knows exactly what he's doing. Then it becomes a fun little guessing game for me, anticipating the different ways he's going to fuck me and make me cum. I imagine the twisted new positions he'll arrange me in, knowing I'm about to be satisfied. I also want a man that is physically fit and can keep up with me. I love men's bodies, licking them, riding them, touching them. So a nice body is a must.

Are you wilder on or off screen?

I'm wild when I'm having sex either way. It doesn't matter if a camera is present or not. Once I set my sights on a man and am ready to give myself to him, he better be prepared. I'm coming at him at full force and will not hold back. It's the same for girls too!

So tell us, how do you prefer cocks?

An average size cock is fine with me, although a solid eight inches would make me a very happy lady. I don't perform blowjobs that often because I just like to get into it, but when I do, I like to get the cock wet

with lots of spit and make good use of my hands. I spiral them up and down the shaft while I twist and suck the head. When the pre-cum starts to dribble I lick the sides like I'm lapping up a melting ice cream cone. I've been told I have excellent technique.

So how sexual a person are you?

Sex at least once a day is a must! My first sexual experience ever was with a woman. She was phenomenal and got me hooked and now I'm totally bisexual! I love masturbating and fuck myself every day. My favourite is a toy called the bullet and it takes a huge nine-volt battery.

What's the best way for a person to get you off?

If it's the right person and I am really into them then it is extremely easy to make me cum. The best way to go me off is to fuck me hard and fuck me fast! I'm lucky because I'm able to reach orgasm from clitoral stimulation and from deep within. I can squirt too, but I didn't know I could until just recently. It feels different from a regular orgasm. It's more intense and I like the sensation much better. Doggie is one of the only positions that allows me to have squirting orgasms, so of course I love it.

Are you quiet or a noisy fucker?

I'm noisy during sex and am very vocal. I'll shout out all the things I like that are being done to me and the things I want more of. If it's feeling good and you are rubbing me the right way, believe me, you'll know it. I love communicating during sex. All the nasty talk heightens my experience.

Are you a voyeur as well?

Yes, I love watching people have sex in front of me, provided they're hot. I like people watching me. It turns me on. I don't have a lot of time to watch porn but sometimes I catch erotica online. I usually don't choose dialogue intensive movies because I don't care to hear them talk. Girl on girl and blowjob movies are my favourite and always win out. Anything starring Sandee Westgate, Aria Giovanni or Jenna Jameson would be good picks for me.

Do you have a favourite sex scene that you've performed in?

My favourite sex scene of all time happened

with Daisy Marie in a Vivid movie called *Female Gardener*. In that scene, we had perfect sexual chemistry and had a great time fucking each other. She's just so beautiful and I adore her personality. There is one part of the movie that was so hot, sexy, and out of control, Daisy lost her mind and screamed out, "Shove another toy in me!" Yeah, that girl is hot!

We certainly agree with you on that. Who else is a favourite?

Monique Alexander is always a lot of fun. We are friends on and off camera. We like to make out and mess around with one another a lot. You know something? I think I need more sex!

We agree again! In your opinion, what is good sex?

That's easy – sex that makes me cum! Good communication and a comfort level that allows you to explore new sexual desires and fantasies also add to a great experience.

So tell us about some of your deepest sexual desires and fantasies.

I like my feet sucked, my hair pulled and spankings. Being tied up is another fantasy I've yet to experience. Dominant and submissive roles also turn me on; I prefer

what I say. This usually leads to bringing hot girls home for my partner and me to enjoy together. A while back, after the XBIZ show, I found myself in the hotel pool with a hot girl. We started making out like animals and I invited her up to my room. As soon as we got inside, we mauled each other and had hot lesbian sex all over the room. It was intense and so erotic. That was a very good day!

And when you're not having sex, if ever, how do you enjoy spending your free time?

I love feature dancing and the opportunity to meet my fans. I use the old school approach and have elaborate costumes that are custom made for my body. I always have fun when I wear my Little Red Riding Hood costume or my police girl uniform. When I'm home, I go wake boarding. I also enjoy reading and catching up on all the television shows I've missed or I take time to curl up with a good movie. Not many people know I'm a painter and I love to create bright, abstract art using acrylic paint on canvas. I usually give my paintings away as gifts to my friends because I'm not confident enough yet with my talent to sell my work, but perhaps one day they will be available for purchase.

What do you think is the best thing and

“Rough sex is good for me. I like to walk away knowing that I've been fucked!”

being submissive with men and dominant with women. Really, anything that leads to rough sex is good for me. I like to walk away knowing that I've been fucked!

And what do you think Sunny Leone is best at sexually?

I'm a master seducer. If I'm out and set my sights on a person, I'll lure them in by teasing them with my eyes and by using body language that can't be ignored. It always works. Honestly speaking, it's not hard to go out and find somebody to have sex with. What is difficult is going out and finding someone you can have an intelligent conversation with.

What's the most fun you've ever had with your clothes on?

I had a fabulous time during the Vivid Comedy Tour in Missouri. We toured around with the comedians and I literally laughed my ass off for five days straight. Since all of us are complete attention whores, we all had the time of our lives. Laughter is terrific medicine.

Are you into spontaneous sex?

Oh, that's every day! I have spontaneous sex on a regular basis. I like the element of surprise. Most people think I'm joking when I blurt out sexual requests, but I mean

worst thing about being a porn star?

The best thing for me so far is all the facets of the industry that I've had the chance to be a part of. I've been a model, have a successful, ongoing website, and get to be a performer in front of the camera. Without a doubt, I have the best job in the world! I get to have sex with the most beautiful people imaginable and get paid for it. The worst part of the industry for me is how tired I get from traveling all the time. I miss my family, friends, and animals. My cat misses me so much that she bombards me with all of her toys when I walk through the door.

What makes you unique?

My Indian heritage and exotic look helps to make me unique. My culture isn't represented all that often in porn, so it's nice to represent the Indian culture. Also, my movies are special because I put my heart into them. I have sex for a living because I love it; my goal is to have great sex and to get off. Life couldn't get any better than this right now!

How did SunLust Pictures come to fruition?

At first, my partner Daniel Weber and I were approached by a few different people when we decided to build this company. Soon we decided to do it on our own and start our

company as a team. We then approached Steven Hirsch of Vivid with our idea and asked him if he would distribute our product. He was very positive from the start and thought it was a great idea. He said, "Let's do it!" So now, our United States distribution is handled by Vivid, and my partner and I handle our international distribution.

Are you still contracted to Vivid Entertainment Group?

Yes, I am still a Vivid girl but don't have the same obligations the other Vivid girls have.

Do you consider SunLust Pictures to be the next phase of your career?

Absolutely! It's something that I didn't give much thought to until I met my partner. The more we thought about it, the more it seemed like a great and profitable idea. I have always been a very strong, independent businesswoman. I've successfully run my own website, handle my own bookings, and have managed my career on my own from the start. Owning my own production company is definitely something I am capable of doing. I never dreamed of taking it to the level that it is at now though.

How many projects has SunLust created so far?

I believe we've done about seven or eight

of the adult industry. It was also fun playing a role that didn't require me to be a porn star.

As a way of paying homage to your Indian culture, would you ever try to recreate a Bollywood type movie through SunLust Pictures?

That is a great question and one I've never thought of before. If anything, I would love to create what would be considered 'socially acceptable' R-Rated material, vignette type stuff to be released in India. I would love for it to be shown through Pay Per View or cable channels. You've given me something to think about, thanks!

How does the Indian community treat you?

In the Indian community, I am very respected. My response is very positive. I've already jumped over the hurdle of being a girl in adult since I've been in the industry for so long. People accept me just fine, thankfully. I've been told I am famous in India, although I wouldn't really know if that is true firsthand. I think I might be a little scared to do an event there. You never know what kind of fanatics may be running towards you.

Why will you always consider yourself a 'Vivid Girl'?

Vivid is my family. They are such a great and

"I get to have sex with the most beautiful people imaginable and I get paid for it!"

movies over the last three months. We have new titles in development as we speak. We continue producing and growing, which is so much fun. As it stands now, we are producing and releasing two to three titles per month.

What is the latest project you are working on for SunLust?

It's a feature called *Gia: Portrait of a Porn Star*. It's a tale of a girl who goes through a career in the adult industry. It chronicles the start of her career, all the way to the end of her life. It's loosely inspired by the movie *Gia*, starring Angelina Jolie, as far as the visual style goes. Our story is very different. I do hope the audience falls in love with our main character though. I've taken elements of the adult industry that I've seen or heard of during my ten-year career and used them to help create this movie. I will play the starring role of Gia, and Tori Black will play my girlfriend. I'm actually quite excited to capture Tori's natural beauty and her acting abilities in this project. Tori's a real star!

Have you ever starred in a Bollywood type movie?

Yes, I have. The movie I worked on was called *Pirate's Blood*. The experience was amazing. It really felt great to shoot something outside

confident company that doesn't object to one of their stars or contract girls branching out on their own. I remain a part of the family while having the opportunity to expand my career as a businessperson. They are so supportive of me. Our love for one another runs very deep. I don't know many girls who are able to do it all, are happy while doing it, and are making money in the process. They help me out every step of the way and offer lots of free advice. There are no secrets with Vivid. I love them more than they will ever know. I wear my Vivid necklace with pride.

Tell us about some of your mainstream success.

I've had the privilege of working on so many different types of projects. I've been on Howard Stern a bunch of times, have appeared on the E Channel, hosted events at the Sundance Film festival, MTV, as well as several other projects. I've even done some work for the VMAs, which was amazing. Each year I'm invited to do many fun events. My life has been so blessed that at times I just want to pinch myself.

JOCKIN' OFF!

CLUB INTERNATIONAL

Chloe explains the off-side rule to us...

Chloe, making her *Club* debut, has been watching the World Cup avidly. So what? Well, she's an American. Go figure!

"I think you'll find that American women are more into soccer than American guys are. They're too much into their dumb jock sports to appreciate the beautiful game."

Keep going...

"And there are thousands of female soccer teams over here. And don't forget that the last World Cup we hosted was the best attended, the highest average attendances, and it was only a 24 team cup!"

Jeez, you're a real statto.

"I reckon I could give you British 'footie' geeks a run for your money. In fact, I love you Brits so much for inventing soccer, I'm coming over for a sexy game of 1-a-side..." ♣

Lola is another girl who knows the exact spot to hit with the shower head, and she also knows that a bit of strategically placed lather goes a long way.

"I love wet sex," she confesses. "Stand me up in the shower or bend me over the bath and my juices start flowing. And when you've shot your load I'll soap us both up until we're ready to go again!"

Gigi wants to get physical, physical...

Some horrible, hateful people don't have to do anything to maintain a fit body in peak condition. Lucky bastards. The rest of us have to shell out for gym memberships that we use twice in the first week, and then watch as the direct debit goes out every month to no discernible effect.

Gigi's solution is simple. She's never been to a gym in her life, she just reckons you can fuck yourself fit.

"Why pay to do squats when I can squat over a cock and bounce up and down for half an hour?" asks the LA resident, sensibly and pertinently. "And if you need any encouragement to exercise, I reckon me bent over a table with my pussy or butt on a plate should do the job. With every thrust you're burning calories and making me cum. It's win-win..." ♣
